

Kuniya Group of Universities

- *Kunia Group of Institutions (KGI) started its operations with the aim of an international standard campus. Spread over 100 acres, this state-of-the-art campus will provide an unparalleled learning environment.*
 - *Kuniya Group of Institutions (KGI) located in Kuniya in the socially backward district of Kasaragod, is set to emerge as a world class institution matching global standards.*
 - *The Kuniya Group of Institutions are run by Kunhahmed Musliyar Memorial (KMM) Trust that envisions the uplift of the region by offering top-notch education that fulfil the aspirations of young minds.*
 - *The institution also aims to become a centre of excellence by providing world-class academic and research facilities, creating new employment opportunities through research in various fields of study and enabling students to find employment in such fields. KGI is established under the Kunjah Mad Musliar Memorial Trust, Kuniya.*
 - *The KGI envisions harmonious fusion of traditional and modern knowledge systems geared towards imparting multidisciplinary, research-intensive and technology-driven world class education that nurtures creativity innovation, eco-sensitivity and social accountability in the youth of today and tomorrow.*
 - *Kuniya Group of Institutes Management team -*
